Subject: RE: EPA Merge Request: Complete [WARNING: SPF validation failed]

Hi Dan,

Thank you for contacting the *Integrity* Help Desk. I've successfully merged the filer's accounts. The surviving account is: Ex. 6 - Personal Privacy Please make sure to remove Mr. Pruitt from the -Nominees (EPA) group. He will still be listed as a filer in his new group.

Any previously completed and/or assigned reports have carried over. If the filer has yet to set a password for their MAX account they will need to select *Forgot, Set, or Change Your Password* on the *Integrity* login page:

The screenshot displays the MAX.GOV login interface. It is divided into two main sections under the heading "LOGIN WITH ...".

MAX.GOV USER ID & PASSWORD: This section includes a "User ID" field with a "Set a Personal Username" checkbox. Below it is a "Password" field. A link labeled "Forgot, Set, or Change Your Password?" is positioned next to the password field. At the bottom of this section is a checkbox for "Use MAX Secure+ SMS 2-Factor (BETA)" and a "LOGIN WITH USER ID" button.

PIV OR CAC CARD: This section features an image of a PIV/CAC card and the text "LOGIN WITH YOUR PIV OR CAC" and "Remember to plug in your PIV/CAC card". At the bottom is a checkbox for "Register a Secure+ SMS 2-Factor Device" and a "LOGIN WITH PIV/CAC" button.

MAX will send the filer an email with a link to set their password. Once their password has been set they can return to the *Integrity* login page using their email address as their username and the newly set password.

Please let me know if you have any questions.

Thank you,

Austin King
